

BRAHMA WITH AROMAZ®: IT'S A MATTER OF TASTE

Aromaz® is a unique system developed by barbecook®. Aromaz® allows the same dish to be prepared in **1001 ways**. All you need to do is fill the two stainless steel saucers with a flavouring of your choice, e.g. mixed herbs, broth, red wine, smoke chips, etc.

Aromaz® allows flavours and aromas to fully come into their own! The Brahma gas barbecue – equipped with the unique Aromaz® system – supports various tasty cooking methods such as **grilling, roasting, smoking, and steaming**.

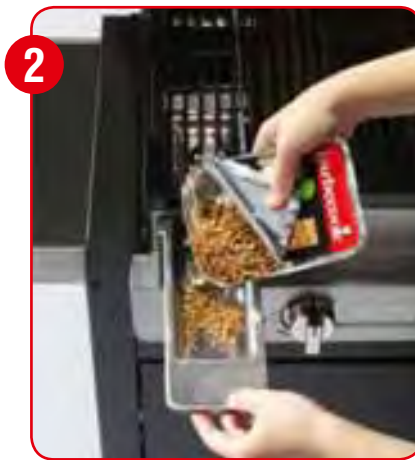

NEW

Simply different

aromaz®

1 Pull the saucers out of the Brahma.

2 Fill the saucers with a **flavouring of your choice**.

3 Reinsert the saucers into the barbecue.

4 You can top up the saucers during use via the convenient opening in the grid!

5 Remove the saucers from the barbecue after use.

6 Empty and clean the saucers with water and detergent.
